

# XTRALIS COMPANY PROFILE

Xtralis is a leading global provider of powerful solutions for the very early and reliable detection of smoke, fire, and gas threats. Our technologies prevent disasters by giving users time to respond before life, critical infrastructure or business continuity is compromised. We protect high-value and irreplaceable assets belonging to the world's top governments and businesses.

At Xtralis, we believe the **sooner you know, the safer you are**. That's why all our products are designed for early and very early and reliable detection. Our detection solutions provide an unprecedented level of reliability to guarantee detection and minimise the possibility of nuisance alarms. Xtralis life safety solutions provide the earliest warning of a threat so that proper action can be taken to save lives, assets and maintain business continuity. With more than 30 years of experience and 110+ innovations in our technology portfolio, Xtralis protects more than 250,000 sites in 100+ countries, including billions in assets belonging to the world's top governments and businesses.

## Xtralis Facts

- Part of Honeywell Building Technologies (HBT)
- **Global presence:** 100+ countries
- **Reach:** 250,000 customer sites

## Products and Solutions

### **Smoke, Beam & Gas Detection Products**

- VESDA-E Aspirating Smoke Detection
- VESDA Aspirating Smoke Detection
- FFAST FLEX Aspirating Smoke Detection
- Li-ion Tamer Battery Electrolyte Vapour Detection
- VESDA Senspoint XCL Gas Detection
- OSID-DE Open Area Beam Detection
- OSID-R Open Area Beam Detection
- VESDA-E & VESDA Software
- VESDA-E & VESDA Accessories
- OSID Accessories & Software

### **Solutions**

- Corrections
- Cultural and heritage
- DataCom and telecom
- Education
- Healthcare
- High-end residential
- Industrial
- Lithium-ion battery storage
- Power generation
- Refrigerated storage
- Retail and commercial
- Transportation
- Warehousing and logistics

### **Services Offerings**

- Design and Consulting Services
- Advanced Detection Global Services (ADGS) Design Subscription Service
- Application Engineering and Performance-Based Design
- Training Services
- Online Training Services - Xtralis University
