

## VESDA-E VEA in China EOL Notice

July 2023

### Overview

As part of our on-going Advanced Detection Technologies portfolio management and streamlining our offerings we have decided to discontinue the VEA China product line. This allows us to drive focus on key NPIs and growth opportunities in the region.

### Discontinued Products

The impacted products are shown in the table below:

Discontinued Products	Description
VEA-040-A00-CH	VESDA-E VEA-40 Detector LEDs CHN
VEA-040-A10-CH	VESDA-E VEA-40 Detector 3.5" CHN
VEA-040-A00-NTF-CH	VESDA-E VEA-40 with LEDs - NOTIFIER-CH
VEA-040-A10-NTF-CH	VESDA-E VEA-40 with 3.5" Display - NOTIFIER-CH

### Effective Date

The affected products will be discontinued effective immediately with no Last Time Buy (LTB) date.

### Contact

Should you have any questions regarding this notice, please contact your local Xtralis office.
