

## OSID-DE L8 Variants EOL Notice

October 2023

### Overview

Considering our on-going review of our overall Advanced Detection Technologies portfolio, we have decided to discontinue the L8 variants of OSID-DE product family.

The reason being Xtralis has fully migrated to SAP and the standard SKUs are globally available.

### Affected Products

The impacted products and their replacement are shown in the table below:

Discontinued Product	Replacement Products
OSI-10-L8	OSI-10
OSI-90-L8	OSI-90
OSE-SP-L8	OSE-SP-01
OSE-SPW-L8	OSE-SPW
OSE-HPW-L8	OSE-HPW

### Last Time Buy (LTB) & Last Ship Date (LSD)

The affected products will be discontinued from 1<sup>st</sup> January 2024 with no LTB. Please amend your systems, including price lists, sales literature and websites accordingly.

### Contact

Should you have any questions regarding this notice, please contact your local Xtralis office.
