

Fireray (FFE) Beam EOL Notice

October 2023

Overview

As part of our on-going Advanced Detection Technologies portfolio management and streamlining our offerings, we have decided to commence the discontinuation process of the FFE Beam product line. The FFE product line will be reviewed quarterly, and further product discontinuations will be communicated in due course.

This allows us to remain focused on serving our customers with our world leading Open Area Detection (OAD) offering and delivering new solutions and technologies to the market.
