## **Last Time Buy (LTB) & Last Shipment Date (LSD)**

- LTB orders for UL268 6<sup>th</sup> Edition shall be placed by 30 April 2024.
- LSD for UL268 6<sup>th</sup> Edition will be 30 June 2024.

## **Spares, Repairs and Upgrades**

- All spare parts remain the same. All spare parts' availability is according to Honeywell EOL internal policy.
- Following Last Time Buy (LTB), there will be a further 2-year supply of spares and repair service subject to component availability. Product documentation (e.g. Product Guide/User Manual) will be available through the website.
- During this 2-year period, customers are encouraged to take advantage of the next generation product.

## **Product Warranty**

Standard product warranty will be honoured as per the applicable company policy for the relevant product line in one of the two ways below:

- A product failing within the standard warranty period will be repaired or replaced with the same or comparable product having the balance of the original warranty period.
- Should a product fail within the warranty period and not be repairable/replaceable then we will refund the full purchase price or issue a credit note as agreed with the customer.

## **Contact**
