

## End of Life Notice

### ICAM IFT-1/4/6/15 - End of Life Notice

August 1, 2017

#### Overview

As a result of a recent review of our overall Advanced Detection (AD) Aspirating Smoke Detection (ASD) portfolios we have identified areas of overlap in our ASD offerings, and therefore we have made the decision to rationalize a number of ICAM IFT line items. This allows us to focus on serving our customers with our existing world leading ASD offerings and delivering new solutions and technologies to the market.

#### Affected Products

The following table shows the ICAM IFT detector products that will be discontinued together with suitable alternatives from our Advanced Detection (AD) ASD portfolio. Details of all impacted SKUs are captured in the Appendix.

Discontinued Part Number	Description	Alternative	Description
IFT-1	ICAM IFT-1, Single Zone	VESDA-E VEU VESDA-E VEP FAAST XT	VESDA-E VEU, Single Zone VESDA-E VEP, Single Zone FAAST XT, Single Zone
IFT-4	ICAM IFT-4, Four Sectors	VESDA VLS FAAST XT Pro	VESDA VLS, Four Sectors FAAST XT Pro, Four Sectors
IFT-6	ICAM IFT-6, Six Sectors	NA	NA
IFT-15 / VFT-15	ICAM IFT-15, 15 Tubes	VESDA-E VEA	VESDA-E VEA, 40 Tubes

#### It should be noted that:

- Accessories associated with the above ICAM IFT detectors will also be discontinued; and
- The ICAM IAS, ILS and IFT-P are not impacted by this EOL notice and will continue to be available for sale until further notice.

#### Effective Date

The affected products will be discontinued with effect from the 1st Sep 2017. Where you have requirements for the discontinued products after that date, please place your Last Time Buy (LTB) orders before 15<sup>th</sup> Dec 2017.

#### Servicing & Spares

Xtralis will continue to offer servicing and spare parts for the discontinued products during the current warranty period for products that we have sold to you and for any longer period that we have contractually agreed with you. We shall in any event continue to provide servicing and spare parts for up to three (3) years after the effective date of discontinuation.

#### Contact

Please contact your local Xtralis office for LTB and any other queries in relation to this notice.
